Welcome to March and hopefully Spring!!!

We are going to be sending out our calendars (as before) via email. If you would like a hard copy please let us know.
With spring around the corner, please keep in mind we strive for outdoor play every day. Please ensure your child has outdoor clothing for the weather. TLC does have a few extras – they are fairly limited.
The Preschool Space is looking forward to spring and starting our garden planting once again. If you have any large plant pots, we would appreciate the donations, as we would like to do some group and pair planting projects.
Also if anyone has any large appliance boxes we would gladly take them.
Thank you
Preschool Staff
